Due to an oversight during proofreading, the article “Tidal elevation, current, and energy flux in the area between the South China Sea and Java Sea” was published with a mistake in Eqs. (B14) and (B15), which should be shown as follows:

$$A = (|\text{grad}H|^2 + |H\text{grad}G|^2 + 2|\text{grad}H||H\text{grad}G|\sin\psi)^{1/2} \quad (\text{B14})$$

$$B = (|\text{grad}H|^2 + |H\text{grad}G|^2 - 2|\text{grad}H||H\text{grad}G|\sin\psi)^{1/2} \quad (\text{B15})$$
