The graph shows the index values for NAO and EA over time, with shaded areas indicating positive and negative events.

- **Index:** Y-axis values range from -1.5 to 1.5.
- **Time (years):** X-axis marks years from 1995 to 2015.
- **NAO** and **EA** are represented by blue and red lines, respectively.
- **Positive Events** are indicated by yellow shaded areas.
- **Negative Events** are indicated by yellow shaded areas.
