We thank Referee #2 for his/her careful comment of our paper submitted to Ocean Science. We appreciate the thoughtful and constructive feedback on the paper, which has helped to significantly improve the manuscript. We have addressed all concerns in the revised manuscript, as documented in our point-by-point responses. In the supplementary, there are two documents: (1). Point-to-point responses to the comments. (2). The revised manuscript (figures are all included for clarification), and we highlight the revisions according to the referee's comments.
