

***Interactive comment on “Acoustic Doppler  
Current Profiler observations in the southern  
Caspian Sea: shelf currents and flow field off  
Freidoonkenar Bay, Iran” by P. Ghaffari and  
V. Chegini***

**Anonymous Referee #1**

Received and published: 4 March 2010

Sorry, forgotten to add another remark on Fig.8: please check power signs at "Frequency" axis. They must be -4, -2 0 2
