Received and published: 1 December 2009

On behalf of all co-authors:

Dear Editor and Reviewers,

On behalf of all co-authors I'd like to thank all Reviewers and Editor for their efforts in improving our manuscript "Statistical Trend Analysis and Extreme Distribution of Significant Wave Height from 1958 to 1999. An Application to the Italian Seas". All Editor's and Reviewers' comments have been carefully taken into account and addressed through the manuscript text and figures. We do hope having answered all the raised issues and we believe our manuscript to be significantly improved after implementing

C845

your suggestions.

The revised manuscript along with the complete response to reviewers will be sent by tomorrow, December the 2nd, to the editorial office for peer-review procedure completion.

With authors' best regards, Giovanni Martucci
