

***Interactive comment on “Mixed layer mesoscales:  
a parameterization for OGCMs” by V. M. Canuto  
et al.***

**V. Garçon (Editor)**

veronique.garcon@legos.obs-mip.fr

Received and published: 27 August 2010

Given the reviews and comments obtained on this manuscript by Canuto et al. entitled "Modeling mixed-layer mesoscales" I am forced to reject the manuscript for final publication in Ocean Science.
