

***Interactive comment on “ENSO-correlated
fluctuations in ocean bottom pressure and
wind-stress curl in the North Pacific” by
D. P. Chambers***

J. Kuhlmann

julian.kuhlmann@gfz-potsdam.de

Received and published: 2 September 2011

On page 1637, line 5, "WSC_N" should probably be "WSC_S".

On page 1638, line 16, "another" does not match with "fluctuations".

On page 1639, line 23, "the fact that there"

Caption for Figure 9: "ENSO-correlated"
