Interactive comment on “Arctic surface temperatures from Metop AVHRR compared to in situ ocean and land data” by G. Dybkjær et al.

P.-Y. Le Traon (Editor)

pierre.yves.le.traon@ifremer.fr

Received and published: 23 July 2012

Dear Dr. Dybkjaer,

I encourage you to prepare a revised manuscript based on your answers to comments from the two reviewers. I will ask the two reviewers to review again the revised manuscript. Please take fully into account the point by referee 2 on improving the retrieval algorithm (referee 1 also shares this view). This point does not seem to be correctly addressed in your answers.

best regards

Pierre Yves Le Traon
