Received and published: 30 October 2017

Dear Referee and Editor,

We sincerely thank the Referee for his careful reading of our manuscript, as well as the constructive comments and suggestions which are of great help for improving our study. We also sincerely thank the editor for the kind help with our paper. Every comment is considered and replied carefully in the response and the manuscript is revised accordingly. The derailed response and the revised manuscript are submitted as the PDF files in the supplement.

In our response, the following abbreviations are used:

OM - original manuscript; R1 – Revision #1 - an updated manuscript

C1
