Received and published: 25 January 2019

Dear Referee, Thank you very much for your insightful comments and suggestions. These are very valuable and helpful for revising and improving our paper. A revision has been made to our manuscript in accordance with these recommendations. The response to each one of the reviewer's comments and the corresponding correction to the paper are explained in detail (see attached pdf file). Once again, thank you very much for all your help in reviewing our paper. Kind regards.

Please also note the supplement to this comment:
