

Interactive comment on “Using Canonical Correlation Analysis to produce dynamically-based highly-efficient statistical observation operators” by Eric Jansen et al.

Pierre-Yves Le Traon (Editor)

pierre-yves.letraon@mercator-ocean.fr

Received and published: 6 April 2019

dear Eric,

Could you answer the reviewer comments and prepare a revised ms ?

Do not hesitate to contact me if needed (pierre-yves.letraon@mercator-ocean.fr)

best regards Pierre Yves Le Traon
