Received and published: 13 September 2018

We would like to submit the revised manuscript of our paper “Heat, salt, and volume transports in the eastern Eurasian Basin of the Arctic Ocean, from two years of mooring observations” by A. Pnyushkov and co-authors. Attached are the manuscript and our detailed answers to Reviewers’ comments. We have modified the text (changes are marked with blue color) responding to the Reviewers’ concerns.

Please also note the supplement to this comment:
