

Interactive comment on “Genesis dynamics of the Angola-Benguela Frontal Zone” by Shunya Koseki et al.

Shunya Koseki et al.

shunya.koseki@gfi.uib.no

Received and published: 5 December 2018

We greatly appreciate the reviewer for his/her quite constructive and helpful comments on our manuscript. As below, we have replied to all the comments and added more figure, sentences, and descriptions in the revised manuscript. Please note that the corrections in the revised manuscript are shown by blue-colored font. Please note that we changed the title of this manuscript to “Frontogenesis of the Angola-Benguela Frontal Zone” replying to the reviewer’s comments of Reviewer#2. Also, please note that the number of equation in section 3 decreases from 5 to 4 following revisions.

Our point-by-point replies are uploaded in the supplemental file.

Again, thank you so much for the constructive comments.
