

Interactive comment on “Bathymetric Properties of the Baltic Sea” by Martin Jakobsson et al.

Martin Jakobsson et al.

martin.jakobsson@geo.su.se

Received and published: 6 June 2019

Reviewer #3 did not require any specific changes, but pointed out that we had mislabeled the sections so that there were two sections 3.2. This has been corrected in the revised version.

Interactive comment on Ocean Sci. Discuss., <https://doi.org/10.5194/os-2019-18>, 2019.
