Received and published: 16 September 2019

We thank reviewer 2 for the comments. In particular, we liked the comments concerning Section 4 and used those to rewrite this section and added panels to Figure 8. We think this clarified our story substantially. In the attachment you will find a detailed reply to all comments.

Please also note the supplement to this comment: https://www.ocean-sci-discuss.net/os-2019-51/os-2019-51-AC2-supplement.pdf
