## Interactive comment on "Accuracy assessment of global internal tide models using satellite altimetry" by Loren Carrere et al.

Loren Carrere et al.

lcarrere@groupcls.com

Received and published: 17 September 2020

Dear Referee.

Thank you for your interest in this manuscript and for the comments and suggestions you make. I reply to all your comments and suggestions to change in blue in the supplement file.

Best regards, Loren Carrere
