Received and published: 2 September 2020

Thank you for your review. In the supplement to this comment we reply to your questions and comments, and outline our plan for revision. We hope that we can address your concerns. Please read and respond in the online discussion if you have further comments.

We will post the full revision plan extracted from our responses to all four referee comments as a separate comment on the discussion.

Best regards, Aslak Grinsted and Jens Hesselbjerg Christensen
