

***Interactive comment on “Sinking microplastics in the water column: simulations in the Mediterranean Sea” by Rebeca de la Fuente et al.***

**Anonymous Referee #1**

Received and published: 7 December 2020

Dear Professor Chapman,

I have carefully reviewed the said manuscript and found it to be well-written and well-researched. I support its acceptance by the journal after a minor revision.

Please see my full reviewer comments in the provided pdf file under “Supplement”.

Best wishes,

Chris
